WHY RENT WITH BCSR

As a local Bellevue company, BCSR can often offer same day delivery, pickup and rapid swap repair service in NW Washington

Conserve your cash flow. Why purchase new equipment every few years

Tax advantages often allow you to write-off the entire rental cost vs. depreciating the assets over years

Upgrade or swap your equipment as technology evolves

Monthly Licensed Software Rentals for Software such as Office, Visio, Project, Server, Visual Studio and Adobe CS Products

No minimum rental term on standard stocked equipment. Rental periods as short as a day or as long as a year or more. Why pay for an entire month or a year when you may only need the equipment for a day or a week

Custom images or builds can be created with your required software preinstalled

We support our own equipment at no additional cost

Bring your short-term project in under budget by renting the computers and software vs. incurring a large capital expense for a short-term need.

Free Local Equipment Delivery and Setup

Pre-loaded software to suit your needs

Short or Long Term Rentals Available
